Education Foundation Australia

KNOWING AND GROWING: INTEGRATING FOOD AND FIBRE IN THE CLASSROOM

Presented by:
Sharon Robinson

piefa.edu.au/sfirp

ACKNOWLEDGEMENT OF COUNTRY

PIEFA acknowledges Traditional Owners of Country throughout Australia and recognises the continuing connection to lands, waters and communities. We pay our respect to Aboriginal and Torres Strait Islander cultures; and to Elders past and present.

CULTIVATING CLASSROOMS PROGRAM

TIME	PRESENTER	DETAILS
4:25 to 4:30	Sharon, PIEFA	Acknowledgement of Country Introduction – Welcome, timing, recording, volume on mute, questions at end/type in comments
4:30 to 5:00	Scott Graham, Head of Agriculture, Barker	
5:00 to 5:30	Luchiano Messiti, CEO PIEFA

ATTRIBUTION, CREDIT & SHARING

Each resource was produced by Primary Industries Education Foundation Australia (PIEFA) in collaboration with MLA and Soil Science Australia and Soils For Life. Primary Industries Education Foundation Australia's resources support and facilitate effective teaching and learning about Australia's food and food industries. We are grateful for the support of our industry and member organisations for assisting in our research efforts and providing industry-specific information and imagery to benefit the development and accuracy of this educational resource.

While reasonable efforts have been made to ensure that the contents of educational resource are factually correct, PIEFA does not accept responsibility for the accuracy or completeness of the contents and shall not be liable for any loss or damage that may be occasioned directly or indirectly from using, or reliance on, the contents of this educational resource.

Schools and users of resources are responsible for generating their own risk assessments and for their own compliance, procedures and reporting related to the use of animals, equipment and other materials for educational purposes.
