

Mushroom Farmer Case Study

Scan the QR code or click on the [link](https://www.northernadelaideplains.com.au/sa-mushrooms) to learn about Farmer Nick before answering the following questions.

▶ Nick Femia, SA Mushrooms <https://www.northernadelaideplains.com.au/sa-mushrooms>

Nick Femia, SA Mushrooms
153 Tozer Road, Waterloo
Corner, SA 5110

1. Mark the location of SA Mushrooms on the map. 
2. How long has Nick Femia been growing mushrooms?

3. How has the number of growing rooms changed? Why has it changed?

4. In what three areas do the employees work?

5. How many tonnes of mushrooms per week are produced?

6. What conditions are monitored 24/7 with digital technologies?

7. What challenges face the future of the farm?

Digital Technology Report

Using the following scaffold as a guide, research a named technology in the mushroom industry.

1. Name the technology.

- Clearly named technology.

2. Describe the use of the technology.

- Describes how the technology is implemented within the mushroom industry.

3. Explain how this technology is improving efficiencies in the mushroom industry.

- Efficiencies that are improved are stated.
- Cause and effect are discussed.
- Describes how the technology improves the efficiency.
- Statistics used as evidence.

4. Clarify the advantages and disadvantages for stakeholders choosing to adopt this technology.

- Advantages and disadvantages discussed.
- Viewpoints of various stakeholders broached.
- Discusses the impact that the technology would have.
- Balanced argument of the pros and cons.

This resource has been developed by:

Digital Technology Prototype

Name		Date	
Group Members			

Main Goal

Design and create a digital technology for use in the mushroom industry.

Planning / Instructions

Think about the design and characteristics of your technology:

- Size: _____
- Function: _____
- Materials: _____
- Problem it solves: _____
- Other characteristics: _____

You'll have five minutes to choose the materials...

... and 15 minutes to prototype your design.

Supplies

What supplies do you need? (Tick ✓ and/or write)

Paper	Plastic Cups	Other supplies:	
Glue	Boxes	_____	_____
Scissors	Cardboard	_____	_____
Plastic Bottles	Markers	_____	_____
Pom Pom Balls		_____	_____
